

seamer

30 years of expertise in skincare rituals

SEAMER is a company specialized for over 30 years in the design and manufacture of professional cosmetic care. Thanks to the mastery of biotechnology processes, **SEAMER** transforms the raw material (seaweed) into natural marine active ingredients.

From manufacturing to packaging, **SEAMER** meet needs by bringing new experience and technical skills in cosmetics.

Our Corporate Social Responsibility (CSR) Commitments

Nous nous engageons pour réduire l'impact de l'entreprise sur l'environnement.

Emballages recyclables, réduction et recyclage des déchets, optimisation de l'utilisation de l'eau et des énergies... Notre production est zéro émission de CO₂.

Un engagement environnemental fort.

Cet engagement a été récompensé par une médaille d'argent d'Ecovadis.

Un savoir-faire reconnu et certifié par de nombreux labels.

Nos usines sont conformes aux normes ISO 22716 (Bonnes Pratiques de Fabrication), qui est la norme internationale des bonnes pratiques de fabrication. Nous sommes également certifiés ECOCERT, VEGAN, HALAL.

La nature est au cœur de notre histoire.

100% de nos formules incluent des actifs naturels. Issus des richesses de la terre ou des profondeurs des mers, ces actifs entrent dans la composition de chacune des références de notre catalogue.

Maîtrisez ce que nous produisons.

Nous assurons l'intégration complète de la chaîne de production, de la matière première aux produits finis. Tout est fait par nous !

We are committed to reducing the company's impact on the environment.

Recyclable packaging, reduction and recycling of waste, optimization of the use of water and energy... Our production is zero CO₂ emissions.

A strong environmental commitment.

This commitment was rewarded with a silver medal from Ecovadis.

A recognized and certified know-how by numerous labels.

Our factories comply with ISO 22716 (Good Manufacturing Practice) standards, which is the international standard for good manufacturing practices. We are also certified ECOCERT, VEGAN, HALAL.

Nature is at the heart of our story.

100% of our formulas include natural active ingredients. From the riches of the earth or the depths of the seas, these active ingredients are used in the composition of each references of our catalog.

Master what we produce.

We ensure full integration of the production line, from raw material to finished products. Everything is done by us!
